

Welcome Fabulous EDUPRIZE Families,

My name is Debbie Decker and I am so happy that I will be your child's online teacher this year! This is my 27th year of teaching and I have loved every minute! I have been teaching at EDUPRIZE for 13 years and this will be my 4th year teaching EDUPRIZE Online Instruction (EOI). Our classroom will include 1st, 2nd, and 3rd grades. There will be occasional times when we are all together (announcements, holidays, celebrations, and Cottage), but most instruction will be in small groups, per grade level. It will be such an exciting and full year of learning! Together we will enjoy the following cottages:

Bug Farm, Plymouth Plantation, Oceanography, and American Boutique

I look forward to meeting you at our Zoom Open House and beginning this new school year together. I will send you the link prior to that date. There will be a contract again this year, outlining the requirements of online students (amount of time spent on classwork, homework, etc.). If you have any special concerns regarding your child, please contact me by email and I will respond as soon as possible. I love having open communication and believe it is one of the keys to a successful and enjoyable school year!
