

WELCOME

Welcome to your 2024-2025 fifth-grade year! My name is Mrs. Johnston and I am beyond excited to meet each and every one of you. This will be my eighteenth year teaching and seventeenth with EDUPRIZE. I am an Arizona native, and I love our great state. When I am not teaching, I love to hang out with my family, watch hockey, curl up with a good book, build LEGO, and go on long walks with my feisty Boston terrier, Luna. She's a bit spoiled! I can't wait to grow and learn with you!

Our Cottages for the year are: Physics Foundry, Gene Machine, Planetarium, and American Dream. We are going to have so much fun learning and exploring through these exciting Cottages. EDUPRIZE thrives on using our cottage approach to study science. Each Cottage is full of hands-on learning experiences.

I look forward to meeting you at Open House. Open House is the perfect time to bring in your supplies, check out our classroom, and see some classmates.
