

Anthony Forbes

Biography

I received my Bachelors of Art from Southern Illinois University and my Masters in Education. The teaching profession has always been an important part of my life. My father was a Physical Education teacher for 30 years and his passion for education instilled a foundation for teaching and helping children stay healthy. I've served 10 years in the U.S. Army which has provided me with a diverse experience of teaching, learning and working as a team. In addition to teaching physical education, I have taught kindergarten and 1st grade. I have also coached football and track at Eduprize. In my free time, I love to read, play racquetball and spend time with my wife, teenage son and daughter.
