

Mrs. Rhinehart
Building 3, Room 348

Hi there,
I am thrilled to be continuing on the 8th grade team at Eduprize this coming year. I live with my husband of 21 years and our 18 year old daughter who recently graduated from Mesquite High School. We have 3 dogs. I am an avid Mountain Biker, martial artist at Victory Martial Arts, and a gamer. As a family we love to travel to different places and experience new adventures. Recently I took a trip to Morro Bay, CA and got to see a bunch of wild baby otters. It was magical! I grew up in Carlsbad, CA and go back to visit multiple times each year.

I received my bachelors degree from Point Loma Nazarene University in San Diego, CA. I will be teaching math, honors science, and AVID. I have been a math teacher for the last 21 years where I taught 5th - Algebra 1. I love math and science and am thrilled to get the opportunity to teach AVID as well.
