

# MEET THE TEACHER

## ABOUT ME

Hi There! I am the new JH/HS Engineering Teacher for the 2024-2025 school year. I have 25 years teaching experience, and am an AZ native. I live with my daughter, and two cute kitties. We love going to music concerts, hiking, and spending time with our cats. I love hitting the gym after a long day of work.

EDUPRIZE

Ms. Stockmar Building 3  
Room 306

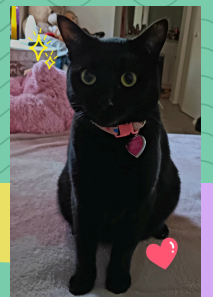

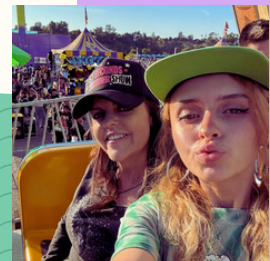

### Credentials

I hold a Bachelor of Science from NAU in World History and Secondary Education. I have an M.Ed. In Leadership with an emphasis in Tech. I am currently obtaining my MA in School Counseling, and have been certified in IBM Coding/Data.
